## 10,000 Book Donation

5 MARCH 2010 NO COMMENT

Bruce Larkin, CEO of Wilbooks, has donated 10,000 leveled readers (books designed/written for specific grade levels) to Ride for Reading! These books are going to be distributed to Nashville teachers for classroom use. The books will stay in the schools and will potentially be used by thousands of children. You can also go to their website at [www.wilbooks.com](http://www.wilbooks.com), purchase books, select RfR as an organization you support, and we will get \$10 from your purchase.

However, this is not the only good news! Wilbooks in the beginning stages of creating a book about Ride for Reading! The book is going to talk about the mission, goals, and accomplishments of RfR!

### Our Mission

Ride For Reading's purpose is to distribute books to children who are not fortunate enough to own their own. In low-income neighborhoods, the ratio of books per child is 1 age-appropriate book for every 300 children. \*Reading is an integral part of education, and without books it is hard to build a strong academic base. Our children need materials to read at home and it is our goal to provide the means.
